

Circus Cuts Children's Fare Half

Kids get a break this year on circus tickets. They can attend Ringling Bros. and Barnum & Bailey Circus opening today at Los Angeles Sports Arena, for half price on reserved seats only, both afternoon and evening performances, Monday through Friday afternoons. Friday evenings and weekends, regular prices prevail.

The small fry will be witnessing one of the great story book classics of all time when the super-spectacle "Wizard of Oz" unfolds before their eyes. Forty, first time in America, acts will also be making their debut.

Performance schedule for the circus will be twice daily at 2:30 p.m. and 8 p.m., with an extra early-bird matinee at 10:30 a.m. on Saturdays. Sundays, the performances will take place at 2:30 p.m. and 6 p.m.

There will be 2,000 general admission tickets at \$1 each, for every performance.

...tained at the Sports Arena box office and all Mutual Ticket Agencies.

WAREHOUSES' OF FAT

If a person regularly consumes more calories than he uses, he will be overweight. Your Heart Association points out that when the supply exceeds the demand, the body stores it up in what you might call "warehouses" of fat — double-chin, sparetire at the waist, middle-aged spread.

LOWERS CHOLESTEROL

Your Heart Association says that a diet which is reduced in fats and which substitutes a substantial amount of liquid vegetable oils for solid animal fats tends to lower the amount of cholesterol in the blood. Research scientists have found an association between high levels of cholesterol and hardening of the arteries.
